Sao Paulo, SP, Brazil

## Objective

---

I am seeking a postdoctoral position in public sector, development economics, and/or applied econometrics. My primary focus is on conducting research in public policy, and therefore I am not pursuing a teaching position at this time.

## Education

---

- **Ph.D. in Economics** **Jan 2020 – Mar 2025**  
*University of Sao Paulo (FEARP/USP)*  
– **Sandwich Doctorate Abroad** **Jul 2023 – Jun 2024**  
*Carnegie Mellon University (Heinz/CMU)* *Pittsburgh, United States*
- **Specialization in Economics and Management** **Aug 2017 – Feb 2019**  
*Getulio Vargas Foundation (EESP/FGV) – with academic merit* *Sao Paulo, Brazil*
- **B.Sc. in Business Administration** **Feb 2010 – Dec 2014**  
*University of Sao Paulo (FEA/USP)* *Sao Paulo, Brazil*  
– **Academic Exchange Program** **Aug 2013 – Dec 2013**  
*Jönköping University (JIBS/JU)* *Jönköping, Sweden*

## Professional Experience

---

- **Research Assistant** **Sep 2025 – Present**  
*Inspere Institute of Education and Research* *Sao Paulo, Brazil*  
Perform data cleaning, calculate descriptive statistics, conduct econometric analyses, review academic literature, and draft papers.
- **Consultant (freelance)** **Sep 2025 – Present**  
*Laboratory of Studies and Research in Education and Social Economy (LEPES)* *Ribeirao Preto, Brazil*  
Created a customizable R scoring routine for early childhood evaluation tools, adaptable for each public school system served by LEPES.
- **Financial Consultant (freelance)** **Mar 2021 – Mai 2021**  
*Foundation for the Development of Legal Education and Research (FADEP)* *Ribeirao Preto, Brazil*  
Conducted a financial feasibility study of the proposed Administrative Reform for the Municipality of Ribeirão Preto, assessing its budgetary impacts.
- **Legislative Assistant** **Mar 2019 – Jan 2020**  
*Legislative Assembly of Sao Paulo (Alesp)* *Sao Paulo, Brazil*  
Conducted studies on bills to support the state deputy votes.
- **Management and Planning Assistant** **Jan 2017 – Sep 2017**  
*Municipal Government of Sao Paulo* *Sao Paulo, Brazil*  
Joined the team coordinating 22 municipal departments to develop Sao Paulo's strategic plan (2017-2020) for the newly elected mayor.
- **Market and Business Intelligence Analyst** **Apr 2014 – Dec 2016**  
*Sonne Consulting* *Sao Paulo, Brazil*  
Conducted business diagnostics and market research to provide insights for strategic and marketing planning of small and medium-sized companies in the education, hospitality, and staffing industries.

• **Controlling and Accounting Intern**

Mar 2012 – Aug 2013

*Itau BBA*

*Sao Paulo, Brazil*

Performed accounting reconciliations for financial operations with external agencies and supported back-office operations for the initial loan and FX products at the Colombian branch.
